::FALL 2009 ART CLASSES::

::ADULTS::

CERAMICS: WHEEL THROWING

Level 1 Learn the basics in wheel throwing techniques to produce cylinders with various functions. A range of decorating methods will be covered. Suitable for all levels of experience these focused workshops are limited to four students at a time.

Level 2 Expand on your basic knowledge of throwing on the pottery wheel. Further projects demonstrate the techniques involved in adding on pieces, such as handles and spouts. Underglaze decoration is also covered. Small classes.

Level 1-Wednesdays, October 7, 14, 21, 28 from 7 to 9:30pm

Level 2-Wednesdays, November 4, 11, 18, 25 from 7 to 9:30pm

\$150 (materials and taxes included) 4 sessions

CERAMICS: SILK SCREENING ON CLAY

Learn both how to both hand build simple forms in clay and basic silk screening techniques to transfer images onto clay pieces. Whether simple designs, text or your own drawings see the possibilities of silk screening underglaze decoration. No experience necessary.

Saturdays, October 17, 24, 31 from 2 to 5pm

\$150 (materials and taxes included)

COLLAGE AND ACRYLIC PAINTING TECHNIQUES

This workshop looks at various mediums used in the creation of collage works and image transfers techniques. Projects incorporate the use of simple cut and paste method, photocopy transfer printing, and exploration of various painting applications including blending, glazing, scraffitto, scumbling, and much more in combination with found material.

Saturday and Sunday, October 3, 4 from 1 to 6pm or

Thursdays, November 5, 12, 19, 26 from 7 to 9:30pm

\$150 (materials and taxes included)

ENCAUSTIC PAINTING

Encaustic is a drawing and painting medium using molten wax as paint, mixing medium and preparatory surface. This workshop offers an overview of the medium covering basic techniques, safety issues, and encaustic's versatility in relation to collage, image transfer, mould uses, scraffitto and general techniques.

Level 1

Thursdays, October 8, 15, 22, 29 from 7 to 9:30pm or

Saturday and Sunday, November 21, 22 from 1 to 6pm

\$150 (materials and taxes included) 4 sessions

SILK SCREEN PRINTING

Create your own one of a kind designs on paper and fabric. Projects presented in class include single and multi-colour printing. Learn the fundamentals of photo-screen printing techniques (photo emulsion method) to develop skills through colour separation, creating editions and monoprints or be creative through experimentation with stencil methods, drawing fluid and pastels. These workshops provide information on how to set up a silk screening studio at home. No printmaking experience is required. For beginner and intermediate levels.

Mondays October 5, 19, 26, Nov. 2 from 7 to 9:30 pm (No Class Thanksgiving Oct. 12) or

Saturday and Sunday, November 7, 8 from 1 to 6pm or

Mondays, November, 9, 16, 23, 30 from 7 to 9:30pm

\$150 (materials and taxes included)

PAPIER MACHE SCULPTURE

Learn how to build an armature and create a sculpture with papier mache including figurative or animal sculptures. Projects created will be decorated using paper including coloured tissue, handmade and printed and/or acrylic paint.

Saturdays, November 28 and December 5 from 1 to 6pm

\$150 (materials and taxes included)

::ARTISTS AND ARTISANS::

WEB STRATEGIES FOR ARTISTS & CRAFTS MAKERS

A workshop on "the future of art and craft"

This workshop explores the fundamentals of marketing, promoting, and selling art and craft in an era when everything is "going digital." Aimed at both new and experienced artists and makers alike, this in-depth workshop explores key business and technology trends that are reshaping today's marketplace.

Tuesday, October 6 from 6:30 to 9:30pm

\$85 + gst

WRITING THE ARTIST STATEMENT AND BIOGRAPHY

A two-part workshop on " putting your art into words" for artists and crafts makers

This series of two three-hour workshops focuses on learning and applying tried-and-true methods for creating an artist's or maker's statement and biography. Intended for both new and experienced artists and crafts makers alike, this hands-on workshop covers the fundamentals of writing effectively about yourself and the works that stem from your practice.

Tuesdays, October 13 and 20 from 6:30 to 9:30pm

\$150 +gst

BUSINESS OF BEING CREATIVE

A four-part seminar series of "business best practices" for artists and makers

This series of four seminars explores the business and career implications of being a professional artist or artisan. These seminars aim to demystify the essential practices that make up the business of art and craft, and are designed to meet the needs of both new and experienced artists and makers alike.

Week #1 – Creativity and business: the basics

Week #2 – Marketing your creativity

Week #3 – Promoting your creativity

Week #4 – Selling your creative work

Tuesdays, November, 3, 10, 17, 24 from 6:30 to 9:30pm

All four sessions \$200 +gst

Individual session \$65 + gst

::KIDS::

SATURDAY MORNINGS

Fun workshops for kids ages 4 to 10 interested in exploring a variety of mediums. Call ahead to reserve spots, and dress for mess!

10:30am to 12:00 noon

\$18 per session or 5 sessions for \$80 per child

(materials and taxes included)

Please note: For the 5 session package, dates must be selected within the same season in advance. Any substitution for dates must be made at least one week ahead. No refunds for missed classes.

Papier Mache Maracas-Saturday, **October 3**. Musical instruments are created in animal characters.

Super Hero Assemblage-Saturday, **October 10**. Recycled material and found objects are put together to create a superhero.

Silk Screening T-shirts-Saturday, **October 17**. Kids create a t-shirt of their design.
